

## **Spotlight on Huntington's Disease (2010): Vicki Wheelock**

### **Spotlight on Huntington's Disease: Vicki Wheelock**

#### **Huntington's disease: New hope from stem cell therapies**

Vicki Wheelock, M.D., spoke at the "Spotlight on Huntington's Disease," an educational event presented at the CIRM Governing Board meeting on March 11, 2010. Wheelock is a clinical professor in the department of neurology within the University of California, Davis Health System. She was introduced by Claire Pomeroy, M.D., M.B.A.

The CIRM-hosted event was presented in partnership with UC Davis at the California State Capitol Building.
